

Fitness Benefit

If you have Cigna benefits, we've got a healthy incentive for you!

As a customer of the Cigna Medical Plan and an employee of **Draftkings Inc.**, you are eligible for a fitness reimbursement of up to **\$300 per calendar year** in qualified health club membership fees, fitness class fees or online fitness class subscriptions.

What kind of health club membership or fitness class may qualify?

Start exercising your option by picking a qualified full-service health club that works for you. The facility you choose *must* have a vast array of cardiovascular and strength-training exercise equipment, such as traditional health clubs and YMCAs. You may also attend fitness classes at a qualified health club or studio without an annual membership. Online fitness class subscriptions (e.g. Daily Burn, Peloton, Beachbody) also qualify for the Fitness Reimbursement.

What does not qualify?

Health clubs or studios that do not qualify include martial arts centers, gymnastic facilities, country clubs, tennis, pool-only facilities, social clubs, or sports teams and leagues. Fees for personal training, lessons, coaching and exercise equipment or clothing purchases will *not* be covered.

Here's what you need to do:

At the time of reimbursement submission, the Cigna customer must be a current **Draftkings Inc.** employee and be a customer of the Cigna Medical Plan to be eligible for this reimbursement.
